Happy Valentine's Day

Luther Area Public Library

The 2025 Summer Reading Program, "Color Our World", is all about the many ways you can bring color into your world – some examples are flowers, food, and the people you care about. That's why, on February 14th, the library will be handing out flowers and cupcakes to their patrons.

"Throughout the years, the community has given us their love and support for our programs. We would like to say 'Thank you' to everyone for bringing 'Color into Our World'."

Director Theresa Laughlin

Do you like to read, but don't have time? Or perhaps you used to love to read, but you struggle to see? The staff at the library understands the limitations that life throws at everyone! With a grant from the LCCF Foundation, the library has recently updated their large print and audio books to include popular authors like Colleen Hoover. Audio books are great way to pass the time while driving or cooking. Don't have a CD player? Download the Libby app for instant access to audio books and more.

Are you a contractor, or know a contractor? The library is currently looking for a licensed and insured contractor to replace 5 doors this year. Scheduling is flexible. Please contact Theresa at (231) 797-8006 if interested.

Did you know you can advertise your business at the library on their display TV for a small donation? If you would like more information, contact any staff member at (231) 797-8006.

The Library is looking for volunteers and program sponsors. If you would like to sponsor a program, or volunteer for a program, contact Theresa at (231) 797-8006.
