Luther Library News

The Library will be closed January 1, 2025.

2025 will be bringing some new changes to the Luther Area Public Library!

Have you heard about Gabby? Gabby is the Library's new SMS number. By using your cell phones texting service, patrons can renew their library materials, contact staff members directly, and many more.

Luther Area Public Library Online Book Club will begin in January, and will feature a number of great books each month for members to choose from. Members can post, comment and discuss the books at their own pace and convenience. For more information, contact the library at (231) 797-8006 or visit the group at <https://www.facebook.com/groups/577831458517818>

To ensure you are getting the most out of our library, we recently updated our borrower's privilege policy and of member's account information. Updated members forms can be picked up at the library, or emailed to you upon request. A copy of the updated policy can be found on our website at: <https://www.lutherlibrary.michlibrary.org/>

In January, we will begin updating our Audio and Large Print books section. This project was made available to us by a grant from the LCCF Foundation and will bring new Audio Books and Large Print Books to our library.

Over the course of the next few months, we will finish updating all of our computers. At present, with the help of the MMLL, we have updated 3 of the computers at the library. If interested, the old computers will be for sale beginning January 15. The computers cannot be updated to Windows 11. The cost of the computers will be \$50 each, Monitors \$25 or purchase both for \$70.

Manga's have arrived and will be available to check out the beginning of January. Stop in and check out some of your favorite anime in their original form!

The library will be hosting an indoor Flea Market January 31st and February 1st. If you are interested in setting up a table, contact the library at (231) 797-8006

The January menu will be available for pick up at the Senior Center sometime after January 5th. Please contact Lorraine at (989) 289-2023 if you have any questions.
